***Register now to reserve your seat! You don't want to miss this extra special holiday season crop! For this crop we'll have goodie bags, door prizes, fun and games, silent auction, and much more!***

**Greeting Cards for the Soldiers:** We will be collecting greeting cards (blank for any occasion) to distribute to the deployed soldiers at various locations. If you can't join us for the crop, we'd love for you to participate in the card challenge. Don't forget the envelopes ☺ Contact Kristie for more info.

**Care Packages:** We will be collecting items for the care packages to be sent to the soldiers. Our goal is to send at least one care package a month to our various locations so if everyone can bring at least 3 items to the crop, we can achieve this goal! If you'd rather contribute in another way – there's postage too! It costs **\$11.95** to ship a flat rate box, which really adds up! A list of items will be emailed out to everyone that registers. Contact Kristie for more info.

**Silent Auction/Raffle:** Do you have new scrapbooking products you've purchased and never used, a gently used sheet of stickers, or scrapping tools you no longer use? By donating these items to our silent auction/raffle, you can help us raise more money for our soldiers. Schedule some time to go through your scrapping stash and set aside some items to contribute. Just bring them with you to the crop and we'll do the rest! Then during the crop you can "shop" everyone else's treasures too.
